

Supplement table and figure inventory

HPT and Extremism project

2026-10-02

Purpose

This documentation report inventories the current supplementary tables and figures and identifies their reproducible source files. It does not analyse confidential source data.

Supplement tables

Table 1: Current supplementary-table inventory

Element	Source
Table S1	04_dif_and_mg_cfa_measurement_bias.Rmd; revision verification
Table S2	01_measurement_checks.Rmd
Table S3 and S3b	revision_reporting_analyses.R
Table S4	supplementary_materials.md
Table S4b	revision_reporting_analyses.R
Table S5	supplementary_materials.md

Figures and revision outputs

Table 2: Current figure and revision-output inventory

Element	Source
Revision relationship figure	revision_reporting_analyses.R
Measurement invariance and DIF	fig02_measurement_invariance_and_dif.R
Score distributions	fig03_score_distributions.R
Coefficient plot	fig04_coefficient_plot.R
Marginal effects	fig05_marginal_effects.R

Scope note

The markdown and PDF supplement are the presentation source for Tables S1-S5. This report is an inventory, not a second presentation of the estimates.
